

Come

Keith Yoder writes with insight and wisdom gleaned from a lifetime of learning to abide in Father God's embrace. Digest the heart of the Father, take His hand and follow.

Sometimes gentle,
sometimes strong,
sometimes still,
sometimes a roar,
sometimes a whisper,
sometimes jubilant,
sometimes warning.

Moments with the Father,
quicken the heart
with truth and peace.

Dr. Keith Yoder founded Teaching The Word Ministries in 1987 as a consultative and mentoring service to Christian leaders. He has written many books, and writes *Moments with the Father* as a monthly column for TTWM's *Connections Newsletter*.

Come

Moments with the Father

Devotional

By Keith Yoder

Come. Wait in Father's presence. Delve into His Word. Only intimate relationship with our God can bring genuine satisfaction, security, strength, joy and life that overflows into other relationships.

As you ponder the devotions, meditate on the supporting scriptures. Allow the Holy Spirit to bring insight, refreshment and greater understanding of the Father's character. Each one may take a day, a week, or longer. No need to rush. Stay with each as long as the Lord continues to whisper His insight, peace and wisdom.

Twenty-five *Moments with the Father* devotions compiled to celebrate the twenty-fifth anniversary of Teaching the Word Ministries, serving Christian leaders since 1987.
